Eligibility

In order to be eligible for a Club record, the athlete must meet ALL the criteria below:

- The runner must be a member of the Club AND be registered with England Athletics with BDRC as their first claim club on the day of the competition.
- The athlete's age ON THE DAY OF THE RACE must be within the age band category for which they are claiming a club record.
- The runner must have competed in an event that is certified or recognised by the relevant governing body and the course been officially measured.
- The runner must have competed wearing a club vest or t-shirt, with the exception of records set at parkrun or those running on behalf of a charity.

Procedure

To be considered for a club record the runner must send the following details to the Club within one year of the event taking place:

- Name of the event.
- Date it was held.
- Age of runner on day of race.
- Distance.
- Time claimed and link to the results on line.

The committee will verify the record against the published results of the event, if necessary checking with the organisers of the competition to confirm the results.

Publication

The definitive list of Club records will be kept on the Club website. This will be regularly updated during the season. This may also include notable achievements from members who have successfully completed race distances in addition to those listed (ie. Ultramarathons).

All records will be approved at the discretion of the committee and the decision of the committee is final.
